

# FREKOFIX

## UNIVERSAL TOTAL CLEANING AGENT

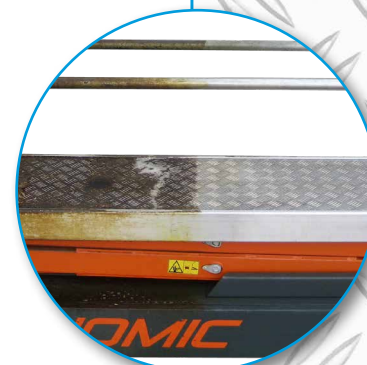

Freko-Fix is extremely suitable for cleaning your machine floors and walls.

Are your pipe rail trolleys green from the tomato or bell pepper crop? Spray the trolleys with Freko-Fix, allow it to penetrate for a very short while and spray off. You will see that the green deposit has been removed. Freko-Fix is also suitable for the removal of smoke deposits, rust, oils, greases, algae, ink and much more.

### Benefits:

- Excellent price/quality ratio
- Saves on labour costs
- Can be easily applied.
- Will not tarnish the material to be cleaned.
