

STEFIX 500S

FLOOR SCRUBBER

The Stefix 500S is a high-grade quality floor scrubber with a 500 mm wide brush. The machine is equipped with user-friendly controls and is extremely practical in use. The clean water tank can be easily replenished and the dirty water tank has a convenient drain hose for draining the dirty water. The machine runs on a 24 Volt battery. This enables you to easily get around or under anything, because there is no power cable attached.

Advantages

- Immediately clean and dry
- Saves on labor costs
- Worn parts can be easily and quickly replaced
- Clean water tank is easy to fill
- Dirty water tank can be easily drained
- Controls are simple and user-friendly
