

# BULL 08

# ELECTRIC TRACTOR

The Bull 08 Electric tow tractor is the smallest in its class and has a towing capacity of 1,000 kg. This tractor is can be supplied in 2 models: a step and a seated model. Because the tractor has been built as compactly as possible, it is extremely suitable for use indoors on flat floors. You will always be completely flexible about where you wish to charge the tow tractor because of the heavy-duty battery pack and the integrated battery charger.

### Benefits:

- Excellent price/quality ratio
- Saves on labour costs
- Simple control and user-friendly
- Low footboard
- Short turning radius

### Technical specifications\*

#### Properties

|  |                |
|--|----------------|
