

SPIJKSTAAL 308

ELECTRIC TRACTOR

This 3-wheel electric tow tractor series is much appreciated for its excellent properties, great stability and indestructible quality. The tow tractor can be deployed for towing loads of up to 8,000 kg on predominantly flat floors and ramps. This tow tractor performs incredibly on ramps.

308 LV: step height of 21 cm and option to exchange the battery vertically.
308 LH: step height of 21 cm and option to exchange the battery horizontally.

Benefits:

- Excellent price/quality ratio
- Saves on labour costs
- Simple control and user-friendly
- Low footboard

Technical specifications*

Properties

Towing capacity	8,000 kg
