

STEFIX 65

FLOOR SWEEPER

The Stefix 65 is the smallest sit-on floor sweeper of its kind. This machine has a sweeping width of 850 mm and a large filter surface area for fine dust particles. Thanks to the electric front wheel drive, you have an extremely maneuverable machine enabling you to sweep the smallest corners. This machine is supplied standard with solid non-marking wheels, so that it will never leave streaks on the floor. The machine's controls are simple and it has a robust chassis with a smooth finish.

Advantages

- Dust-free sweeping thanks to large fine dust particle filter system
- Saves on labor costs
- Easy maintenance
- Worn parts are easy to exchange
- Dirt tray easily removable for emptying

Technical specifications *

Specifications
