### Characteristics

**Color** Gray/Yellow

- ✓ dimensions frame (W x H): 85 x 60 cm.
- ✓ aluminium strapping head and tension roller treated ensures long life of the machine.
- ✓ electronic control of the tension, heating, cutting and length of the strap.
- ✓ light and easy to move because of its two fixed and two revolving castors.
- ✓ designed and manufactured using highest quality components.
- ✓ tension electronically adjustable through a magnetic clutch to get the strongest tension without any physical effort.
- ✓ electric adjustment of the cooling after sealing to get better sealing quality, especially for hard packages (wood, iron, etc).

### More information about Reisopack 1900
