## Characteristics

**Color** Gray/Yellow

- ✓ the 1402 is light and easy to move because of wheels with brakes
- ✓ the position of the strapping head allows strapping of special difficult packages as: packages of little width, wooden packages, products that remove residuals that could dirty the strapping head, etc.
- ✓ also available in stainless steel with a automatic lubrication system of the strapping head, especially suitable for meat and seafood industries
- ✓ tension electronically adjustable through a magnetic clutch to get the strongest tension without any physical effort
- ✓ electronic control of the tension, heating, cutting and length of the strap
- ✓ electric adjustment of the cooling after sealing to get better sealing quality, especially for hard packages (wood, iron, etc)
- ✓ light and easy to move because of its castors with brakes
